DETAILED ACTION

1. Applicants' Response to Office Action, received 11 March 2009, is acknowledged. Claim 22 has been amended.
2. Claims 14, 16-27 and 30 are pending and under consideration.

Rejections Maintained

3. The rejection of claims 22-24 under 35 U.S.C. 112, second paragraph, indefiniteness, is maintained for reasons of record.

Applicants argue that the amendment of the claims obviates the rejection.

The examiner has considered applicants' argument in light of the amendment of the claims, but does not find it persuasive.

As newly amended, claim 22 remains drawn to an immunogenic composition which comprises an immunizing amount of an immunogenic fragment of recombinant lipidated PsA. There is no recitation of whether the fragment is or is not lipidated. In response to applicants' remarks, it is suggested that the claims read "an immunogenic lipidated fragment".

Conclusion

4. Claims 22-24 are finally rejected.
5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a)

will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
